CLERK:      Mr. President, amendments to be printed; Senator McDonald to LB 1091, Senator Loudon to LR 11, Senator Schrock to LB 916, Senator Synowiecki to LB 485, Senator Smith to LR 11, Senator Combs to LB 1017, Senator Bromm to LB 511. Your Committee on Enrollment and Review reports LB 5...or LB 983 and LR 209CA as correctly engrossed. Senator Maxwell would like to add his name to LB 879 as cointroducer. (Legislative Journal pages 1529-1531.)

SENATOR CUDABACK: Mr. Speaker, did you wish to be recognized?

SPEAKER BROMM: Thank you, Mr. President. Very briefly, the agenda I think is just about out but we're going to go ahead and read the budget bills in the morning, try to deal with that. We'll come back in the afternoon to address Senator Janssen's LR 11CA. And we'll pick up the agenda that we're leaving today after that. Friday...or Thursday, I should say, will be I think kind of the last day to get bills off of General File. My hope is that we would have some time Thursday to consider senator priority General File bills. How many of those the body will be able to consider will depend upon you. We're going to put them in the order they are. If senators who sponsor the bills either choose to pass over them or you choose to move the agenda by doing something with the bills, that is up to you. I think there are bills in the senator General File priority bills yet that could be passed but I'm not going to make the judgment on that. Unilaterally, I think that's up to the body collectively to make those judgments. So we will try to do some of that Thursday but that will depend a little bit on we're doing the agenda for Tuesday at the same time, if you can kind of comprehend what has to be done. We've got to figure out how much we can get done Tuesday to move things off of Select File because we've got to have a day layover on Wednesday. So that's the plan. The main thing is tomorrow let's try to get the budget done. So thank you for your hard work. You accomplished a lot today.

SENATOR CUDABACK: Thank you, Mr. Speaker. Mr. Clerk.

CLERK: Mr. President, Senator Bromm would move to adjourn until
